

ACCOMODATION OPTIONS

Canberra is a very small capital city in comparison to Sydney and Melbourne with very minimal traffic. It is easy to get around via walking, taxi or Uber. It is suggested that all delegates try to stay in the **CITY** area as this is where the Canberra Theatre is situated. New Acton is a relatively new area of Canberra and is popular for good restaurants, bars, galleries and beautiful artistic surroundings. Please see a list of accommodation options below ranging in price and location.
