DRAMA ENHANCES LITERACY SKILLS

"There can be a powerful relationship between drama-rich pedagogy and the enhancement of student literacies."

Saunders, J.N. (2021). *Dramatic shifts in learning: a case study analysis of student literacy learning through drama.* NJ: Drama Australia Journal, 45(2), 97-112. doi: 10.1080/14452294.2021.2013627.

Australian research examining drama-rich pedagogies in a Sydney primary school found **positive shifts in student English and literacy outcomes**, with a particular focus on inferential comprehension.
