EVERY YOUNG PERSON DESERVES ACCESS TO ARTS EDUCATION

"High-quality arts education [should be] accessible for all students, regardless of their background".

O'Toole, J. (2021). *The basic principles of a socially just arts curriculum, and the place of drama.* Australian Educational Researcher, 48, 819-836. DOI: 10.1007/s13384-021-00480-6.

The development of the Australian Curriculum: The Arts was explicitly shaped by principles of **equity and excellence**, including the goal of making high-quality arts education accessible to all students regardless of background.
